The Orchid tilt in space shower chair has been designed to provide comfort and safety together with easy access when washing and for personal care.

The shower chair has optional extra such as fully adjustable and removable footrest, thoracic supports and hip supports. The shower chair is available in both adult and paediatric sizes and the option of either manual and electric tilting actions both of which provide a tilting angle between 75° and 35°.

Both of the chairs are available with or without an aperture. The frame is made of stainless steel so will not rust and there is the added protection of powder coating with BacAway an anti-microbial anti-fungal agent preventing infection.

OPTIONAL ACCESSORIES

■ Velcro Rolls / Support Rolls

■ Head Rest

■ Detachable Side Panels

TILT-IN SPACE SHOWER CHAIR

Designed to assist

■ Detachable side panels provide additional security for the client.

■ Adjustable safety belt.
